## GENERATIONAL/WORD/OTHER CURSES

### WHAT ARE GENERATIONAL CURSES

WERE YOU AWARE THAT THE ENEMY GAINS LEGAL  
RIGHTS INTO OUR LIFE THROUGH THE SINS,  
TRANSGRESSIONS, AND INIQUITY OF OUR BLOOD  
RELATIVES??

Let's take a look at Exodus 20:6. Summarize?

---

---

---

Let me state clearly that the Kingdom of God is a legal structure. And spiritual laws are strictly adhered to by all parties in the spiritual realm. And the devil is a legalist. He looks for any way to exercise legal rights to inflict pain and oppression. This principle remains true today even though it is derived from the Old Testament text. Jesus paid for our redemption from our ancestral sins, but we must exercise His redemption and remove what our ancestors agreed to when they partnered with sin and iniquity.

It takes one brave believer to say – ENOUGH. And then ask the Lord for forgiveness for the sins that are generational. There is a model on how to walk through the removing of Generational sins in the activation of this document. I highly recommend it and that you pray through it. Ask the Lord what sins from your parents and grandparents might or are still affecting you and your family today. Jesus will reveal the truth. And take a look at issues such as alcoholism, addictions, depression, etc. in your family members. If these exist in three or more generations, some prayer work is needed. Greater detail is included in the Equipping Warriors video teaching as well.

### WORD CURSES

A curse is a verbal expression of harm, disaster, and evil spoken over someone or spoken over yourself.

Look up:  
Proverbs 18:21

---

Matthew 12:36 How does this truth affect your conversations?

---

The words we speak every day truly matter. What comes out of our mouth as children of God, directly impacts and activates the spiritual realm.

We must choose our words wisely, repent of those we have uttered in error, pride, anger or ignorance. And we must choose to live a lifestyle of blessing. (Power of Blessing module).

Look up Proverbs 26:2 in the KJV.

---

When we are walking in intimate fellowship with the Lord, this passage is our truth. I quote it often to the demonic world. Try it out! I cover more about word curses in the video teaching.

### **LAND AND OTHER CURSES**

There are many other things that can be cursed or hold curses that can affect our lives negatively. Demonicly empowered curses are often found on satanic ritual items, tarot cards for example. There can be curses on other objects, homes, buildings, land regions, and even entire nations.

Obvious curses will alight when we dabble in occult practices. If you have participated in anything like this in the past, repent and ask for cleansing by the blood of Jesus.

There are times the Lord will make know curses that come under a principality or regions of land and nations. God will direct specific people that He chooses to pray for their demolition. Don't go in and try to take down a principality without God's specific instructions. Caution!

### RECOGNIZING THE LIES

One of the most clever lies concocted by the devil is that we aren't affected by covenants, agreements and curses in which our bloodline relatives participated and agreed. And because the church has largely ignored or remains completely unaware of these legalities, many believers remain under oppression that began generations before they were born.

Stepping out of the unknown and realizing that we can take authority over these bloodline legalities, repent and then bless our family line, is how we break these long-standing demonic strongholds.

### TRUTH

The truth is that we are empowered as the Bride of Christ to ask Jesus what is held against us and simply repent. We can look into our family history and see the recurring issues and ask for forgiveness and deliverance for us and our children to a thousand generations. We can then bless our family with blessings and a holy inheritance from our Father through Jesus Christ our Savior. Hallelujah!

### ACTIVATION

**Prayer of repentance:**

Father, I stand on behalf of my ancestors from both sides of my family bloodline and ask forgiveness of their partnership, contracts and participation in \_\_\_\_\_ sin(s). (Speak each one.) I confess these sins and transgressions and renounce them from my family line. Please cleanse my family bloodline from these sins and iniquities all the way back through all my ancestors to before the seed of Adam. And then cleanse all the way forward through me, through my children into all the generations ahead. I receive your forgiveness and cleansing and I thank you Lord Jesus. They are covered by your blood and we are set free.

Jesus now I ask that you break all legal rights of the enemy that resulted from these sins and bondages, remove them now and send them to the pit. I also ask you to cancel any soul ties, strongholds, or bondages that came with these curses. I declare in Your name Jesus I am free.
