

KINGDOM LIVING

HEALING AND DELIVERANCE FOR
SELF AND OTHERS

SCRIPTURE REFERENCE(S)

*Heal the sick, raise the dead,
cleanse those who have leprosy,
drive out demons. Freely you
have received; freely give.*
–Matthew 10:8

WARRIOR TOOL

What you have learned you now
are empowered to give to others.
This is the Kingdom purpose.

PRACTICE

Your healing becomes your
superpower. What you have
overcome now leads you to free
and bring the healing of the Lord
to others.

HEALING & DELIVERANCE FOR SELF & OTHERS

OUR HEALING BRINGS HEALING TO OTHERS

WHAT DOES THIS SCRIPTURE MEAN TO YOU?

*You intended to harm me, but God intended it for good to
accomplish what is now being done, the saving of many lives.*
Genesis 50:20

Jot down some of the areas of your life that you have overcome
through the love and healing of Jesus.

The very things that the devil used to destroy, actually becomes
our superpower. If we lived for years bound up by abuse from
our childhood, then we become empowered through our healing
to help others become free from similar pain. What you suffered
becomes the very thing you walk in with supernatural power.
And my friends, it's PAY BACK TIME, BABY! We then plunder the
enemy's camp and release prisoners and restore others to love
and truth in Jesus Christ.

God promotes you when you overcome an area of struggle. You
are given gifts of discernment, love, wisdom, understanding and
compassion to identify quickly, offer empathy, and
understanding and you come to others with understanding to
know what to say and how to pray.

PRACTICE ON YOURSELF FIRST

I learned so much about helping others by helping myself first.
This seems selfish but it's not. When we apply our faith and our
belief to an area of our life that needs healing or help, we learn
how to pray effectively. We learn the mechanics of effective
prayer and we learn what doesn't work.

Experiencing healing through your own prayers also builds your
faith. Your faith and your experience then accelerates and bring
healing to others when you pray for them.

KINGDOM LIVING

HEALING AND DELIVERANCE FOR
SELF AND OTHERS

The following verse provides the answer to our struggles with humanity: Look up 1 Peter 4:8 and write it below:

RECOGNIZING THE LIES

In the video I discussed a few areas of church life that have come from a distorted view of scripture. A woman's role in the church along with the doctrine that ministry requires a human covering. I challenge you to research both of these issues in the Word. Look at the original language/text of Paul's letters to the Corinthians. They are responses to questions posed in previous letters. Paul was actually addressing some specific issues for that body of believers. The history of the Word.... HONORS WOMEN. In heaven there is no distinction between the sexes. We are all loved, accepted, valuable and needed in the body.

Also, Jesus Christ was the greatest liberator of women. While on earth, He continually broke and challenged the religious laws that kept women in bondage. Take a read through the Woman At the Well, the Woman with the Issue of blood. Look how He healed Mary Magdalene Jesus continues to break the religious spirit in our world today.

Regarding these topics, I encourage you to partake in an in-depth study of your own. Look at the original Hebrew. Discover the geo-political, social and economic influences of the time and the original language. Pray for wisdom and for the Lord to show you the truth.

TRUTH

I've come to realize that when you pray and ask the Lord the truth, He WILL reveal the truth to you. What is interesting is that once He shows you what is really going on, you can't go back. Ahem, that's good but sometimes very uncomfortable.

Truth is uncomfortable. Truth challenges you and it will not leave you in the same place.

Jesus said, "I am the way and the truth and the life."

KINGDOM LIVING

HEALING AND DELIVERANCE FOR
SELF AND OTHERS

Jesus is the truth. He will show you truth within your relationships, in your belief systems, flawed theologies, religious practices, in your communities, and in this world.

ACTIVATION

You **CAN** and are **Commanded** by Jesus to help others.

If you have walked for a number of years, doing the hard work of cleaning up your life. Working to be free of your past and pressing into greater realms of love, healing, and hope with the Father, then perhaps you are ready to learn to pray and bring healing to others.

I offer *Healing Prayer training* to a select few people each year. I can work with you to learn the mechanics of praying for others healing and deliverance. The rest of the equation is derived from your intimacy and identity with the Lord.

If you are interesting in the tools and training that I employ in my prayer sessions, please email me at lynn@lynndonovan.com. Ask about receiving training for Healing Prayer.

Once we are saved and set free, we **MUST** pass what we have gained to those on the road behind us.

Heal the sick, raise the dead, cleanse those who have leprosy,
drive out demons. Freely you have received; freely give.

— Matthew 10:8
