**WHAT ARE FALSE IDENTITIES**

In an average day an adult with function within our society under numerous titles and identities.

Mother/Father	Son/daughter
Employee/Boss	Patient/customer/client
Friend/enemy/acquaintance	Sister/ brother/only

What are other self-identifiers that apply to your life?

---

---

---

---

Our value and worth is derived from our internal view of our self-identity. In western society most adults identify and understand their worth and meaning through their occupation. Their employment function is "who they are."

The danger in resting our reality in a false identity is obvious. For example, if you worked in a career for twenty years and then lose your job or you become ill and are unable to work or some other circumstance prohibits you from working, a devastating identity crisis is a typical result. Here are a number of false identifiers:

Career/employment/position	Life choices
Possessions/home/car/	Physical appearance
Emotions	Reputation
Achievements	Circumstances

## IDENTITY

### DISCOVERING OUR KINGDOM IDENTITY

#### **TRUTH**

Understanding and grasping the reality that our truest identity is established when we view ourselves as a child of God over any and all other identifiers. The second truth is that we are wholly loved and accepted by God who is our Father and that He is absolutely good. And He's good to you!

When we grasp that our only identity is being fully loved, accepted as a child of God, we release all the striving and demands that come through the expectations of others and even ourselves. We can step into peace, joy and fulfillment when we realize our truest calling and positioning.

Look up:

Genesis 1:27. How are you identified in this verse?

---

Ephesians 2:10. How does this truth affect your heart?

---

#### **RECOGNIZE THE LIES**

Our perception of self is born out of our experiences, our belief systems and generational propensity. (Generational is covered later in this manual)

As believers in God through Jesus Christ, realigning our identity into who God says that we are, is crucial. Understanding who we are and whose we are will affect every aspect of our life, our family, our decisions and our faith.

The enemy of our soul is relentless to corrupt and deceive our true identity and his assault begins from conception. Yes, even in the womb a human spirit can sense when mom or dad is unhappy about the baby. It seems impossible to comprehend that in our pre-born state we can take on a belief that we are unwanted, unloved.... Rejected.

This message is often reinforced through repeated word curses from parents, siblings, teachers, bosses, spouses. You get the picture. And if it's not rejection, it can be shame or fear or something else. No one is immune from the assault on our identity.

The assault is cruel and effective because when the devil knows when a son or daughter of God recognizes who they really are. IT'S GAME OVER FOR THE DEMONIC.

#### ACTIVATION

One of the most powerful moments of transformation in the life of a believer is to gain healing from a corrupted identity. So, today, journal and ask the Lord to reveal every identifier that establishes your value and worth. Then determine with the Holy Spirit which of them are coming from a source other than the Lord.

Take each value that doesn't line up with the Word of God to the Lord in prayer.

Father, in the name of Jesus, please forgive me for looking to \_\_\_\_\_ as a way to give me value and worth. I repent. I ask that you remove this lie from my heart. Then forgive yourself and anyone else that spoke a corrupted value system over you. Surrender all lies and fears and release these falsehoods to Jesus.

Jesus, now tell me, who am I? (If you need help, read through the scripture references on the website or in MAJ.)

---

Thank you, Jesus, for your love and truth. I receive it. Now help me to begin to walk it out in my life. I now bless myself with
