THANKFULNESS

DOES THANKFULNESS COME EASILY TO YOU?

THANKFULNESS IS THE GATE WE WALK THROUGH INTO THE PRESENCE OF GOD.

Look up:

Psalm 100:4 Write it below.

Look up Philippians 4:6. How does this truth address answered prayer? What is the key to answered prayer and less worry?

Write down a time when you believe God provided lavishly for you.

Do you currently have a way to retain the experiences you have with God in order to give Him thanks? In the video I speak to how I was intentional to record the events of God's provision. If you have this practice established. Write it below. If not, pray below and ask the Lord to show you how to establish memory stones in your life to recall God's goodness.

KINGDOM LIVING

LIFESTYLE OF THANKFULNESS AND
HOPE

AN AMAZING WAY TO GROW IN THANKFULNESS IS TO LIVE GENEROUSLY. HOW MIGHT GENEROSITY BE DISPLAYED IN YOUR LIFE SPECIFICALLY.

Activation: Remember generosity is giving just a bit more than you think is enough. It doesn't mean squandering money and possessions that you don't have. It's simply leaning into the voice of God and following His lead. Sometimes it's merely offering a prayer or our time. Think about potential opportunities where you can practice generosity. Write them below and be intentional to follow through this month.

A LIFESTYLE OF HOPE

At the recording of this Warrior Tool video, I've walked with the Lord for a long number of years. And the victories I've experience in the Kingdom came from a deep reservoir within my soul, HOPE.

Without hope we are lost. All things in the Kingdom are center upon our hope for a different future, a brighter and beautiful life, hope for our eternity. Hope is the fuel to our soul. Truly.

As believer's we should be the most hopeful people on the planet. But how to we maintain hope when we can't glimpse a change in our future.

Here it is: Perseverance!

But if we hope for what we do not see, we eagerly wait for it with perseverance. —Romans 8:25 (NKJV)

Everything is about perseverance. There are numerous passages in the Word where Jesus instructs believers to persevere and especially through persecution.

THE LIE

SATAN PROPAGATES THE LIE; THERE IS NO HOPE

In our society today the devil has done quite a wicked work to deceive and convince people there is no hope for change. It's a

big ole' fat lie. If we are in Christ Jesus, we always have hope. He is the hope maker and hope giver.

THE TRUTH

WE MUST CHOOSE HOPE

We must determine no matter the circumstances, no matter the surface level of things, Jesus is mighty and Yahwey is sovereign. The hand of God combined with your faith CAN MOVE MOUNTAINS.

I look at it like this. We must take hold of what we are praying for, believing for, with a bulldog like tenacity and shake that thing until it manifests into our lives. And while we are doing this, believing, and praying into the change that we KNOW is God's will, we have the pleasure to go on the journey with the Lord and uncover the many treasures along the way.

Just a note here: I absolutely believe anything can change by the hand of God. However, there are times that God expects us to take action to move things along. If you are in an abusive situation, God would never ask you to stay there. As a wise and brave child of God, get yourself and children somewhere safe. God never condones abuse in any form. That comes from the dark kingdom.

Hope will walk you through every disappointment. I know, because I've lived this out year after year.

In the video I talk about Faith and how that manifest into hope. Write down that principle below.

ACTIVATION

The following passages will activate your faith & hope. Read them aloud and often. Pray and ask the Lord for revelation of His Word.

"I pray that your hearts will be flooded with light so that you can understand the confident hope he has given to those he called—his holy people who are his rich and glorious inheritance" —Ephesians 1:18
