

KINGDOM LIVING

HEAVENLY PRAYER LANGUAGE

SCRIPTURE REFERENCE(S)

Whoever believes and is baptized will be saved, but whoever does not believe will be condemned. And these signs will accompany those who believe: In my name they will drive out demons; they will speak in new tongues;
—Mark 15:16-17

WARRIOR TOOL

Our heavenly prayer language offers an additional tool to connect with God, to uncover mysteries, to intercede and to be victorious over demonic attack.

PRACTICE

Release the Kingdom of God through your prayer language. Speak in tongues in preparation for spiritual warfare, in worship, and in edification of your spirit.

OUR HEAVENLY PRAYER LANGUAGE

TO SPEAK OR NOT TO SPEAK..... THAT IS THE QUESTION????

A large majority of a Marcher's journey is walking into awareness and out of distortions or half-truths.

What I find fascinating is how the Christian Church is largely divided over the aspect of speaking in tongues. My research indicates that the majority of the church (generally) attributes "Tongues" to the Charismatic movement.

What I would like to do is create peace about this Holy Spirit gift. If you would like to speak in tongues, no matter your denominational affiliation or where you are in your faith life, you can. And if you aren't interested in this aspect of faith, that's perfectly fine as well.

However, if you are interested in understanding more about this facet of faith, read on and please watch the *MarchingAroundJericho.com* video: Speaking In Tongues.

Let me recap what I believe the New Testament offers to believers through this specific gift.

- It's a direct connection to God.
- We receive and express mysteries and revelation through the speaking in tongues.
- Our heavenly prayer language works to strengthen our personal faith and strengthen our body, soul, and spirit.
- It's a strategy to defeat demonic attacks.

Also, recall in the video, I explained that there are three different aspects of Tongues.

- Speaking directly to people (Acts 2:1-13)
- Speaking indirectly to people (interpreted) (1 Cor. 14:26-28)
- Speaking directly to God. (1 Cor. 14:2-4)

KINGDOM LIVING

HEAVENLY PRAYER LANGUAGE

I remain convinced that all of these aspects of our prayer language are accessible today and are utilized by believers around the world.

READ 1 CORINTHIANS 14:22-25

What does this passage indicate that is a sign to unbelievers?

Of course, this passage also goes on to say that _____ convicts

And the result is

How does this truth affect your thoughts about unsaved family?

LOOK UP 1 CORINTHIANS 12:9-10

What gifts are available to believer's in Jesus?

RECOGNIZING THE LIES

The lies we must contend with is that God is stingy or that He only gives gifts to the "super spiritual."

As believers we read this passage in 1 Corinthians and we incorrectly conclude that God gives only one gift of a specific portion of the Holy Spirit to selected people. But, my experience is different. And I'm convinced that is not the intended interpretation of this passage.

HEAVENLY PRAYER LANGUAGE

Take a moment and reflect: What lies have been revealed to you about the Holy Spirit, gifts of the Holy Spirit, heavenly prayer language?

TRUTH

The truth is that we are all God's children and He is a lavish and generous Father. He will hand out His gifts as quickly as we are mature enough to walk in them without hurting ourselves or others.

We also must be hungry marchers. We must press into the Holy Spirit and ask for more revelation of the gifts. Study the aspects, workings and gifts of the Holy Spirit, then pursue them with passion.

I've found the Baptism of the Holy Spirit thrilling and a vital necessity to march around any spiritual battle. And God is often merely waiting for us to reach out to Him with a hungry petition and show ourselves studying to learn to carry Holy Spirit power and giftings.

ACTIVATION

Prayer To Activate Your Prayer Language

If you want the gift of Tongues, you can ask the Lord. But first, ask Him if there is anything blocking you from His Holy Spirit and listen. If there is, repent and receive His forgiveness and the covering of the blood of Jesus.

Seek out others who already walk in spiritual gifts and ask them to pray with you. I've prayed with people on the phone and they have received the gift of tongues.

Go into your prayer time, get quiet, read Mark 15:16-17, then close your eyes and ask the Lord for this gift. Bless yourself to release your tongue and dedicate your tongue to the Lord. Also, you must release yourself from any embarrassment you feel

about this aspect of praying. If you are embarrassed by the Spirit of the Lord, it's unlikely He will show up.

Then begin to worship in your mind and then simply release your tongue. Let syllables flow. Don't try to make sense of it in the beginning. Remember you turn it on and off. Just allow your voice to move as you worship. As your prayer language develops over time, you will begin to discern the spiritual realm and how your heavenly prayer language is impacting the world around you.

And remember let LOVE always be your highest goal.

Love God! Love people!

If I speak in the tongues of men or of angels, but do not have love, I am only a resounding gong or a clanging cymbal.

— 1 Corinthians 13:1
